CREATIVITY. COMMUNITY. HOSPITALITY. EDUCATION.

## WGC STUDIOS

Wild Goose Creative is a community arts company dedicated to building community, finding resources and being a gathering point for artists and creative people. We are thrilled for the opportunity to offer a range of studio spaces at a reasonable rate in our up-and-coming home neighborhood of South Clintonville/North Campus. We aim to fill these studios with Columbus creatives of all stripes, including photographers and other visual artists, writers, designers, and creative small businesses.

If you are interested in your own creative haven, and would enjoy the support that a growing art community would provide, contact us. We would love to talk about how you could benefit from one of our studios.
